Women in Film Festival Design Contest

Calling all you creative and talented Women in Film and TV members!! We are gearing up for this year's 5th Annual Women in Film Festival (WIFF) and we need YOUR help. If you are a visual artist, illustrator, photographer, graphic designer or new media artist, we would like to invite you to join the "WIFF design contest."

We are looking for artwork that will best represent this year's Festival and the outstanding contribution of women filmmakers all over the world. It will be a symbol of our collective passion for storytelling and a celebration of our love of motion picture. We are looking for a design that is polished, professional, contemporary and dynamic. The design should include the following:

1. WIFTV logo
2. Title: "5th Annual Women in Film Festival"
3. Dates: April 17 & 18, 2010
4. Venue: Vancity Theater, Vancouver International Film Center

The winning design will be used on our festival programme cover, print ads and other promotional materials. The artist will receive a pass to the WIFF and will have access to all the exhibitions, panel discussions and film screenings throughout the festival weekend. The artist will also be properly credited in the festival programme.

Please send your designs in jpg format to alcantada@shaw.ca no later than February 12 (Friday) for consideration.

We look forward to seeing your marvelous works of art. Good luck!
